Nazifa	Complete all requirements	O
Oleksiy	Start integrating the system together	O
Oleksiy	Start integrating the system together	O

Max three rows per group member. Task status: (N) new (O) ongoing (X) no report

Issues and Risks:

- A few group members have been facing problems connecting to the database and /or running the app. There have been instances where NetBeans has displayed that a main method does not exist.
- Upon uploading commits, some members have had their code erased, this issues however, has been resolved. There was a minor error in the way in which the NetBeans Project folder was organized.
